Dear NAME,

Unfortunately, you are not currently entitled to Pension Credit.

You asked us to consider your application from date of claim.

Your weekly State Pension amount of £state pension amount was more than the guaranteed income of £pension credit amount that Pension Credit provides. This guaranteed income is set for you by the government.

If something changes

You can apply for Pension Credit again if certain things change. The guaranteed income that is set for you could change if anyone moves into your home, or if you start getting any of the following:

- Attendance Allowance
- Carer's Allowance
- the middle or highest rate from the care component of Disability Living Allowance (DLA)

- the daily living component of Personal Independence Payment (PIP)
- the daily living component of Adult Disability Payment (ADP)
- Armed Forces Independence Payment

Yours sincerely,

The Pension Credit team
