Dear Alex

You are not currently entitled to Pension Credit.

You asked us to consider your application from 1 September 2021.

On this date your weekly State Pension amount of £179.60 was more than the minimum guaranteed income of £177.10 that Pension Credit provides. This guaranteed income is set for you by the government.

Yours sincerely

The Pension Credit team

- the daily living component of Personal Independence Payment (PIP)
